1 Introduction

This document is directed towards shippers registered as clients of GRTgaz Deutschland.

In the following you will be provided with basic information on the portals of GRTgaz Deutschland as well as specific knowledge such as how to create a new user or how to nominate.

GRTgaz offers two browser-based portals designed specifically for shippers to enter and review contract related data in the VMS portal as well as nomination related data via the nomination portal.

Contract Management System Portal (VMS)

- ✓ Company data
- ✓ Balancing groups
- ✓ Contracts

Nomination Portal (NMP)

- ✓ Submitting nominations
- ✓ Reviewing nominations

4 Client Portal

4.1 Language

Two languages are available: English or German.

The default language is German. To change language, you can click on the highlighted action from the home page > User > My Account:

The screenshot shows the user account menu and the user profile page. The menu items are:

- My Account
- Market Dashboard
- User Manual
- Capacity
- Prisma NMS
- NMP
- Logout

The user profile page (Benutzerprofil) shows the following information:

Mein Profil

Keine Dateien zum Herunterladen verfügbar			

4.2 VMS

In VMS, you have access to your company data: Company > Company Data

Details of your contracts: Contracts > Contracts

Your balancing groups: Balancing Groups > Balancing Groups

4.3 Create a new user

You can give four different roles to the user you are creating :

	Read and modify existing data	Create users
Transport customer	Yes	Only with the role "transport customer" or "transport customer (read only)"
Transport customer (read only)	Yes	No
Balancing group admin	Only users data	Only with the role "balancing group user"
Balancing group user	No	No

Note that you can give several roles to the same user.

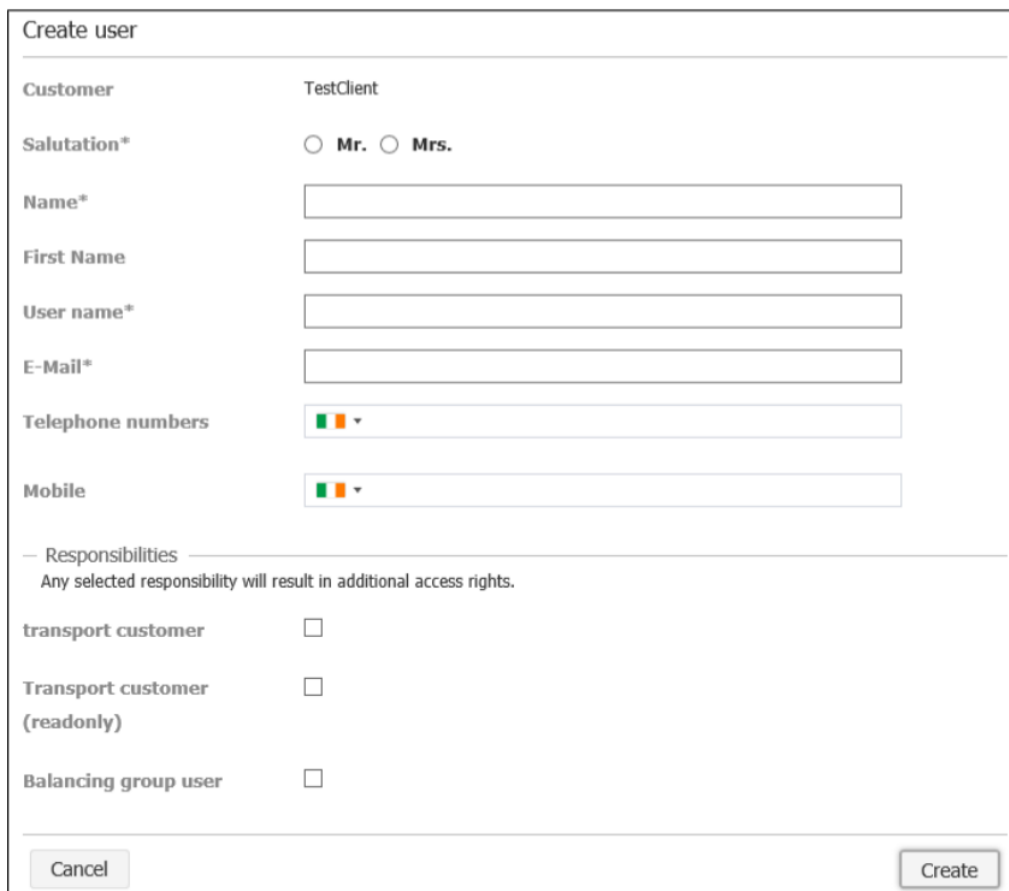

To create a user, go to: Contracts > User

Click on the button "Create user"

And fill this form:

A screenshot of the 'Create user' form. The form is titled 'Create user' and has a horizontal line below the title. It contains the following fields and options:

- Customer: TestClient
- Salutation*: Mr. Mrs.
- Name*:
- First Name:
- User name*:
- E-Mail*:
- Telephone numbers: (with a dropdown menu showing a flag icon)
- Mobile: (with a dropdown menu showing a flag icon)

Below the form fields, there is a section titled 'Responsibilities' with a horizontal line above it. It contains the following text: 'Any selected responsibility will result in additional access rights.'

- transport customer:
- Transport customer (readonly):
- Balancing group user:

At the bottom of the form, there are two buttons: 'Cancel' on the left and 'Create' on the right.

The new user will then receive the registration email and may follow the steps described on 3.1. First connection, page 4 of this document.

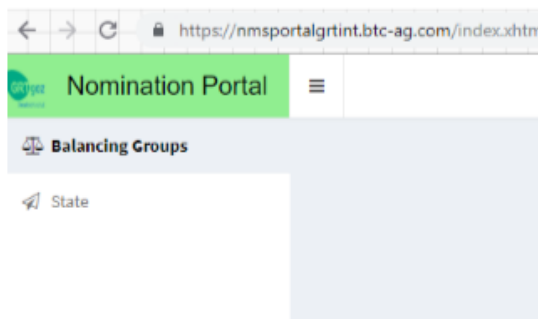

5 Nomination Portal

The **Nomination Portal (NMP)** is a browser-based method to submit and review nominations.

In case of failure or revision of your backend system, or if your company does not own a nomination backend system, you can submit nominations via NMP.

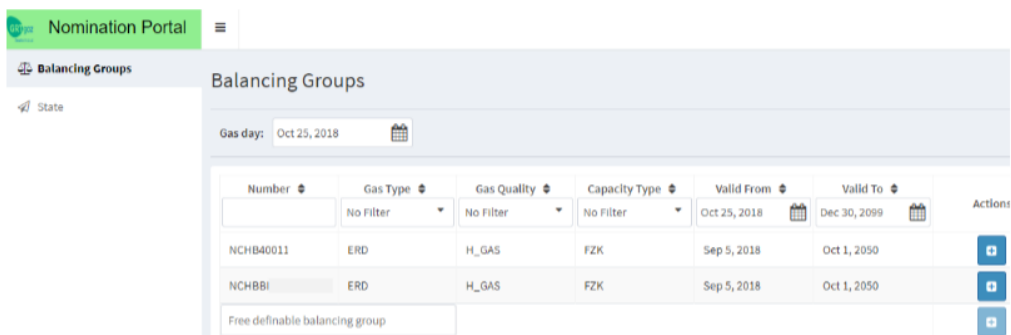

Please login using your portal login data.

You will be forwarded to the following page:

5.1 Nomination

Clicking the button “Balancing Groups” will reveal a list of your active balancing accounts:

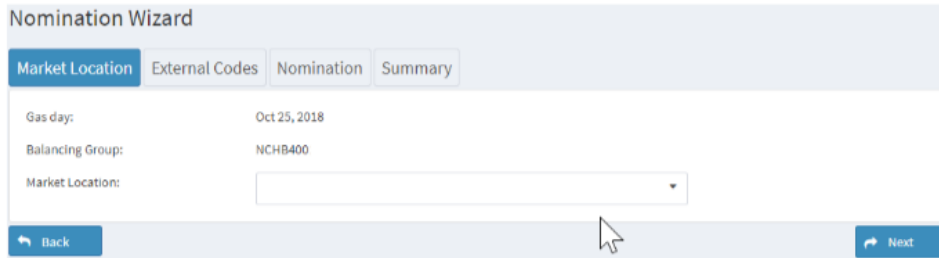

You can filter and rearrange according to

- balancing group (**Bilanzkreisnummer**)
- gas type (**Gasart**)
- gas quality (**Gasqualität**)
- capacitytype (**Kapazitätsart**)
- validity (**Gültigkeit**).

Please choose the desired gas day (**Gastag**) at the upper left end of the list.

Clicking the “+” under actions („**Aktionen**“) will open the nomination wizard (**Nominierungswizard**):

You can submit nominations for the gas day you chose in the previous step. Please complete the following three forms:

1. Market location (**Marktlotation**)
2. External codes (**Externe Codes**)
3. Nomination with the choice between DSN and SSN (bundled)

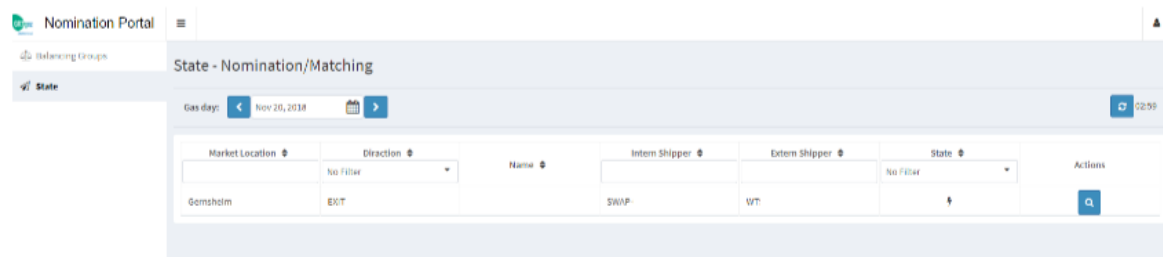

Clicking on “**next**” will lead you to the subsequent form.

The summary will show a preview of the entered data.

Please click on „send nomination“ to submit the nomination towards our nomination management system (NMS).

5.2 Review of nominations

Submitted nominations both through the nomination portal or other options (such as AS4) can be reviewed in “**state**”:

Market Location	Direction	Name	Intern Shipper	Extern Shipper	State	Actions
Gemshelm	EXT		SWAP	WT	No Filter	

Click on the symbol  to show detailed information.
